

NASAC Computer Users Group

Description:

NASAC... The Friendly little computer club.

NASAC is a group of computer enthusiasts, just like yourself, that enjoy seeing new things, helping each other solve problems, and meeting new and interesting people.

NASAC is a member of MindShare, Microsoft's users group support program. As such, we're entitled to discounts on merchandise, do product evaluations, and qualify for a number of other benefits.

Guests are always welcome at our meetings, and are invited to take part in the evenings activities. Bring a friend and join us for an evening of fun & learning.

NASAC is also proud to be a member of APCUG, The Association of PC Users Group.
